Phone: 6372734447 Location: Bangalore, 560037

Objective

Result Oriented software developer with a Master's degree in Computer Applications, proficient in Python, SQL, HTML, CSS, and JavaScript. With strong problem-solving skills and high-level database experience, I am eager to contribute to impactful projects and continuously grow in the field of technology. Prepared to leverage my technical expertise and passion for innovation to support dynamic teams and deliver high-quality solutions.

Technical Skills

Languages: Python, SQL, HTML, CSS, Java Script

Developer Tools: Visual Studio Code, Microsoft Office

Technologies/Frameworks: Windows, GitHub, My SQL, Bootstrap, PL SQL, Microsoft Excel

Projects

Netflix-Data-Analysis

July 2024 - Sept 2024

Utilized SQL to analyze Netflix Kaggle data

- Analyzed Netflix data from Kaggle to address and solve various business problems, utilizing SQL for data extraction and insights.
- Implemented comprehensive SQL queries and solutions to effectively manage and interpret large datasets, enhancing data-driven decision-making processes.

Personal Portfolio

May 2024 - July 2024

Developed personal portfolio using HTML

- Created a personal portfolio website using HTML, CSS, and JavaScript, showcasing my skills, projects, and professional experience.
- That website link I mentioned below <https://sujitkumargarnaik.github.io/Personal-website/>
- Organized the layout and content of the portfolio to highlight key achievements and technical abilities, enhancing overall user experience and accessibility.

Intra College Communication

Jan 2024 - April 2024

Generated a comprehensive web platform with user authentication

- Designed a secure user registration and authentication system, utilizing HTML, CSS, JavaScript, and SQL for personalized access and messaging functionalities.
- Managed messaging, announcements, and content updates, leveraging JavaScript for interactions, SQL for data storage.

Education

Master Of Computer Application

SOA University, Bhubaneswar, Odisha

Institute of Technical Education and Research, Bhubaneswar

Aug 2022 - July 2024

8.0 CGPA

Bachelor Of Science, Computer Science

Utkal University, Bhubaneswar, Odisha

Government Autonomous College, Angul

June 2019 - July 2023

7.81 CGPA

Certificate's

- Full Stack Developer Certification (Era-Digital)
- Data Analytics Essential (Coursera)
- SQL and Relational Database (IBM)
- Python Programming (Great Learning Academy)
